JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Shaving mugs, etc., except those in constant use, shall be kept in closed or covered receptacles.

Hair and other waste accumulations shall be destroyed each day by fire, or by such means as the board of health may approve.

Every barber, after handling any one with any skin eruption, must cleanse his hands thoroughly before handling the next person, and all tools used in connection therewith must be thoroughly sterilized before they are used again.

Common Eating and Drinking Utensils—Prohibited in Public Places. (Reg. Bd. of H., Feb. 26, 1915.)

RULE 51. The use of common drinking cups in any public place, park, street, or avenue, public institution, or in any hotel, theater, factory, school, public hall, or in any railroad car or ferryboat, or in any railway station or ferry house, or the furnishing of any such common eating or drinking utensils for use in any such place is hereby prohibited.

The term "public place" as used herein shall be construed to include:

- (a) Any place where goods, wares, or merchandise are sold or offered for sale.
- (b) Any department, bureau, building, or office of a municipal corporation.

The term "factory" as used herein shall be construed to include any workshop or manufacturing or business establishment where persons are employed at labor.

Eating and Drinking Utensils—Cleansing of. (Reg. Bd. of H., Feb. 26, 1915.)

RULE 52. All utensils used in the preparation, service, and sale of any food or drink intended for human consumption shall be properly cleansed after being used, and no such utensil shall, under any circumstances, be used a second time unless it shall have been, after the previous use thereof, so cleansed. In such cleansing the use of water which has become insanitary by previous use is prohibited.

Milk and Cream—Production, Care, and Sale. (Reg. Bd. of H., Feb. 26, 1915.)

RULE 53. SECTION 1. No milk or cream shall be sold in the city of Pittsfield after the passage of this ordinance except from cows that have been subjected within one year to examination that shall be satisfactory to the board of health and to the inspector appointed by the board of health of the city of Pittsfield under chapter 405 of the acts of 1909, and pronounced free from the disease known as tuberculosis or any other disease that may render the milk injurious to man.

In case an examination made by any person other than the inspector of the city of Pittsfield shall be unsatisfactory either to him or to the board of health, a proper examination shall be made by said inspector for the city of Pittsfield and his decision shall be final.

SEC. 2. Any person selling or distributing milk in the city of Pittsfield shall at the time of taking out his license inform the board of health in writing of all sources from which he receives his supply, and upon making any change whatever in the sources of his supply shall immediately give notice to the board of health of such change.

SEC. 3. Whenever the board of health shall deem it necessary, but not less frequently than once during each year, it shall make, or cause to be made an inspection of all dairies and other places from which the milk is sold in the city of Pittsfield and shall keep a written report of the result of such inspections on file in its office for public examination and reference.

SEC. 4. All cans, bottles, or other vessels of any sort used in the sale, delivery, or distribution of milk shall be cleansed or sterilized before they are used again for the same purpose, and all wagons used in the conveyance of milk for sale or distribution shall be kept in a cleanly condition and free from offensive odors. No person shall use
